GYM-MY THRILL!

Dear *Mayfair*,

I started going to the gym when I was a weedy teenager and have been thoroughly addicted ever since! Not only do I look and

she used the treadmill and we got talking. During the conversation it turned out that she lived quite close to me, so I offered her a lift home and, one hour later, we were back at her place, screwing like rabbits. She was so fucking gorgeous, fresh out of the showers at the gym, and when she

her round the waist and hammered in and out. It felt great but I didn't want to hurt her, so after a while I lifted her off me and told her to turn around.

She had the most perfect arse – toned but just fleshy enough, the type that's made to wear a thong or G-string. Now it

was stuck up in the air as she bent over to tease me, her body pretty much folded in half, as she was so supple. She giggled as she twerked a little, enticing me more, and I dived in.

I played with her slit a little, running my fingers up and down from her clit to her arsehole, making her squirm and moan, and as her juices began to run down her thighs I scooped some up and sucked it from my digits. She tasted musky and sweet, all at the same time, and it made me surge with lust.

I started banging into her from behind, my prick ploughing deep into her snatch. My bollocks were tingling, tightening up, and I realised Karlie was reaching back a hand between her legs to fondle them. As well as the feel of it, just the thought of what she was doing sent the blood rushing down my shaft and into my throbbing helmet.

She seemed to like me taking charge, moving her around and posing her body however I fancied, and that day I got to live out all my porn-position fantasies. I had her squatting over my prick, facing me, so she could impale herself on my tool at her own pace, which was absolutely divine! She told me to close my eyes so I didn't know when she would swallow my prick in her sopping snatch and

the feeling was just indescribable. It was

A CLASS APART!

Dear *Mayfair*,

What a fantastic treat to witness the welcome return of Zoi (to use her new name) to the pages of my beloved *Mayfair*! I was blown away by her stunning, sultry looks when she made her first appearance in your mag three or four years ago, and always wondered why she hadn't featured more frequently since then. Could it be that she doesn't conform to the stereotypical big-boobed shape so beloved of most British males? Either way, I was delighted to see her back and looking, dare I say it, even classier than ever before! As far as I'm concerned it's the appearance of girls like Zoi that really marks *Mayfair* out as being head and shoulders above all the other magazines on the top shelf, so please let's see more of her and her ilk in the magazine before long!

Tony, Barnstable.

You should know we don't stick to stereotypes here, Tony – each to his own, that's what we say! – The Ed.

feel a hell of a lot better when I've been working out, but it gives me a buzz and the amount of hot single babes swanning around is a huge bonus! I mostly work out on free weights three or four times a week, and generally get a few double takes. Although nobody says anything, there's generally an air of sexual tension in the place – beautiful, sweating bodies and girls dressed in sports kit that doesn't leave much to the imagination.

The other week, I spotted Karlie, a cute blue-eyed blonde, checking me out as

stripped off, she had this perfect, petite figure. It was when I complimented her that she told me she used to do gymnastics.

Now, I'd never been with a gymnast before. You know how you see all these weird, complicated positions in porn films? Turns out they're not all that impossible with the right girl. Karlie stood in front of me, and then hooked her leg up around my waist, guiding my cock into her pussy. It was a bit of a knee trembler for me, what with her being so little, and she was up on tiptoe like a ballet dancer, but I grabbed

so good, in fact, that if she had continued she would've made me come, but she sensed it and spun round so I could grope her luscious arse, as she used her feet against my legs to bounce herself up and down.

I've never had a girl get into oral like she did, either. Just when I thought she'd ride me to a climax, she hauled herself up off my cock, the juices dripping out of her gaping hole, before shuffling back so that her snatch was right in my face. Then she started lapping the juices ultra-slowly off my cock and balls. I didn't even lick her at first – I laid back, shut my eyes and focused on the feel

GIGI WHIZZ!

Dear *Mayfair*,

It's always a special thrill when you feature a newcomer, but when they're as sensual Gigi, it really is a red letter day! She looks absolutely magnificent in those super-high heels and that lacy red lingerie, which perfectly matches her stunning lipstick and serves to effortlessly draw the eye to her fulsome boobs and shapely rear (although to be honest, my eye would probably have been drawn to them in any case!). I love the final picture of her, where she's brazenly pushing her perfectly shaven pussy towards the camera, almost daring us not to go crazy with desire. I know I certainly did, and I'll bet a good many of your other readers felt exactly the same way!

Not to mention the staff, Jules! – The Ed.

of her tongue all over my tackle. Initially she didn't use her hands, didn't want to rub off any juices she could suck down. But, as I finally started to tongue her twat, she fingered herself, smeared more juices on my prick, and then started to wank me.

She had a big handful of my dick as I pumped in and out of her fanny-hole with my tongue, and she was grinding against my mouth, moaning aloud as I got her closer to an orgasm. I didn't reckon I could last much longer, and she could tell too, tasting my pre-come and feeling my prick jump in her mouth.

"Get on your back," I told her, urgently. She obliged quickly, and looked so tiny, fit and taut lying there, I felt like I was towering over her, cock in hand, and as she cupped my balls, squeezing and teasing. As I felt them bunch up, I aimed my knob at her pretty face, thinking how it all somehow seemed unreal as my thick, white cream exploded out all over it.

Some girls don't like taking it in the face – this little tart loved it, rubbing it into her skin and scooping it into her mouth. I won't forget the expression of filthy pleasure as Karlie swallowed. I dripped more jizz on her tits and belly, making her squirm with delight once again.

I've been screwing her ever since and while it's tempting just to stay at home and bang each other's brains out, we've kept up going to the gym, to keep ourselves as fit and fuckable as possible. And I have to say that shagging in the shower back at Karlie's is the perfect reward for doing a good workout!

Elliott, Wisbech.

OPEN (TO) MIKE NIGHT

Dear *Mayfair*,

My wife and I have been together since we were 16, and we've only ever slept with each other. We are both turning 30 this year, and as it's a bit of a landmark birthday, we decided to spend the year trying to fulfil as many fantasies as we could. We've tried dressing up, role-play, sex outdoors and lots of other things we've

each fantasised about. Obviously, as we've only ever fucked each other before, at the top of both of our lists was that we wanted to try sex with another person.

We were both pretty sure that our relationship, after all this time, is strong enough to take it, but this was a bit of a risqué fantasy, and something we decided was best done together. I was happy for Fran for fuck another guy, but only if I'm there to see it. In actual fact, watching her being fucked by another man was one of the top things on my list! I've always found the idea of watching my hot, sexy wife sucking another guy's dick, then letting him fuck her really hard, such a turn-on – probably because I know she's never done it before.

We discussed the best way of making

this particular fantasy into a reality, and our first thought was that we could go to a swingers' club. I did a bit of research, however, and it seemed a bit full-on for us. I also didn't like the thought of her shagging any of my friends, and definitely not the guy from

"SHE HAD A BIG HANDFUL OF MY DICK AS I PUMPED IN AND OUT OF HER FANNY..."

Fran's work, who she was sure would be up for it. Instead, we went back to the swingers idea, and posted an advert onto a website, looking for a guy who'd be up for a threesome. I put a picture of Fran with the ad, and within a few days we had loads to choose from. I let Fran pick the guy – well, she was going to fuck him, after all – and we arranged for him to come round the following week.

When Mike turned up, we were both pretty pleased. Fran obviously fancied him from the moment he walked into the house. She had that look in her eye, and I was sure her panties would be soaking wet just imagining taking his dick in her tight pussy. And from my point of view, he seemed like a really decent bloke. We spent ages talking about football and stuff, knocking back a few beers to get into the mood.

After we'd had a few drinks, we went

Heh-heh – that’s a cracking pair of curtains you’ve got there, Jenny!

“Thank you – they’re rather splendid, aren’t they? Oh, hang on, are you trying to make some sort of crude joke about my pussy lips?”

Us make a crude joke? Heaven forbid! Splendid certainly is the word for them, though! And we have to say, hats off to our ace snapper for working out the only way to make you look even lovelier than you already do by placing you next to a mirror! Twice the sexiness in one fell swoop!

“Ah, do you think that’s what his plan was? I thought it as just a sneaky way of checking out my bum, even when I was facing him!”

Well, you might be right – but let’s face it, nobody needs to be sneaky about checking out your magnificent bum in *Mayfair*, do they?!

up to the bedroom, and we'd decided that I would sit and watch to start with. It was also Fran's fantasy to get to fuck this guy, after all, and I was fulfilling my own little dream of getting to watch. I sat in a chair in the corner of the room and let them get down to business.

They climbed onto the bed together, and quickly started to strip each other. Fran seemed a little nervous at first – quite understandably, I guess – and was almost bashful as Mike peeled off her

bra, releasing those big, firm boobs, with which I've had so much fun over the years. However, when he slid his hand inside her panties and started slowly rubbing his middle finger up and down the crease of her pussy, she quickly relaxed into things and simply lay back, moaning and writhing. He peeled off her knickers and I could see that her pussy was indeed totally soaking. She looked about as turned-on as I had ever seen her, and my dick was as hard as a pole just watching how much she was enjoying herself.

Mike moved his way down Fran's body, kissing all over her stomach and thighs until he got to her soaking wet snatch. He licked all the way around her pussy, his tongue going into overdrive as he nuzzled at her clit, then started poking his tongue deep into her hole, like he was fucking her with his mouth. That was enough for Fran, and she was soon begging him for his dick. He duly obliged, sliding his impressively big, rock hard cock deep into her tight twat with one long, slow thrust. She groaned loudly, an almost pained expression flashing across her face, as only her second ever penis slid inside her. Mike pulled out again slowly, before slamming back into her really fast this time. She screamed out with pleasure, clearly loving it. He started to build up a rhythm, pulling out and slamming back into her, getting faster and faster till he was fucking her hard and deep.

Fran looked over at me, beckoning me to come and join in. I've literally never removed my clothes so fast! I dashed over, and whilst Mike continued pounding into my wife, I slid my dick into her waiting mouth. She sucked and licked it, taking the whole thing deep into her throat, swirling her tongue around me in a twisting, circular motion. However, my blow-job was short-lived (although it wouldn't have lasted long anyway!) as, gasping heavily, she removed my cock from her mouth and panted, "I want both you horny bastards to fuck me

OPPOSITES... ATTRACTIVE!

Dear *Mayfair*,

I'm a huge fan of British models – there's just something about them I can't quite put my finger on (unfortunately!) – and you featured a splendid selection of them in your latest issue, with some all-time favourites like Cara and Natalia proving that there really is no such thing as a standard British look, the former being blonde, booby and brassy, while the latter's a hardbodied beauty with a mischievous look in her eye that tells you she's be the perfect bedfellow for anyone who was lucky enough to end an evening in that fortuitous position!

Meanwhile, the statuesque beauty of Zoi and, the near purity of Gina (just allowing us a glimpse of pube as she loses herself in her own pleasure) and the sheer oh-so-horniness of Kiki all add up to a spectacular cross-section of British womanhood! Why, it's no wonder so many migrants want to get over here with girls like this, is it?!

Peter, Ipswich.

at the same time!"

This certainly was turning out to be a night for firsts!

We quickly repositioned ourselves on the bed, me on the bottom with Fran straddling me so I could slide my dick into her soaking, hot pussy. Mike then came in from behind and, after lubing her tight,

screwing in all manner or positions and combinations. It was the most incredible night. Of course, next month we get to try out my next fantasy, and Fran has agreed to our sharing another woman. Hopefully, it will be just as good! I'll write and let you know how we get on.

Steve, Preston.

puckered bumhole with her copious juices, he pushed his dick deep into her arse. When she's really turned-on there's nothing Fran liked more than a good arse-fucking, and that's certainly what Mike seemed to have in mind! She positively yelped as he started fucking her bum, and her pussy muscles clenched hard on my dick, she was enjoying it so much.

It was hard to build up a good rhythm at first, but we were soon into the swing of things, both Mike and I sawing into her two holes, pounding and fucking as she cried out with pleasure. Again her pussy muscles clenched down hard, just as Mike started fucking her really fast, and with just a few more thrusts he came, shooting his load straight into her arse. This triggered her climax and she came hard, followed directly by me, as I gave her a second load of hot, sticky cum right up her cunt. We all then collapsed down onto the bed, a sticky, sweating, breathless mass of limbs.

It took us a good 10 minutes to recover, but the night was far from over. I left Mike and Fran to fuck on their own for a while, so I could catch my breath (And give my aching cock a rest), and we spent the next few hours

Mmm, Yorkshire's finest Amy Green looks better and better every time we see her! Has she discovered some sort of secret formula, because if so, there are one or two people round the *Mayfair* office who could use a bit of it pronto!

"No, there's no secret, I'm afraid – plenty of exercise, plenty of fresh air, and plenty of you-know-what seems to do the trick for me!"

Hmm, assuming you-know-what means booze, then we can feel a bit more justified in our stroll to the boozer every lunch... but you probably don't mean booze, do you?

"Sorry guys – I'm afraid not!"

When I first started thinking about what I was going to write in this blurb, when I was lucky enough to be there while Natalia was posing for these pictures, I really couldn't get much beyond writing "Mmmmmmmmmmmmmmm!" for 25 lines or so. It was just about the only thought going through my head, and let's face it, what can you say really that could augment the thrill of gazing at such a stunner going through her paces in sophisticated lacy lingerie?

"Ha-ha! You're too kind!" she giggled when I told her this, her eyes flashing with laughter and (believe it or not) looking so alluring that they managed to distract me from the rest of her for a while.

Anyway, I reckon I've had a good stab at writing a blurb now, so I'll shut up and leave you with my original thought: "Mmmmmmmmmmm!"

□□□□□□□□

Well this is shaping up to be a bit of a boob-tastic issue! Tiffany here's got such a cracking set of ladybumps on her a fella would be hard-pushed to decide whether he'd rather slide his old chap between her boobs or her exceptionally inviting pussy lips. We couldn't help wondering if the lady herself had any preferences...

"Oh, well I guess it depends what sort of mood I'm in, doesn't it?" she grinned fiendishly. "I mean to say, there's something really delicious about pushing my boobs together, squirting a little bit of lube between them and giving a guy a proper tit-wank, but that's bound to make my pussy feel left out, isn't it? I guess the ideal thing would be if a guy had the stamina to slide his cock between both pairs of lips and my boobs – and maybe even up my bum for a bit before I'm done with him!"

Hmm, that's a fair a bit of stamina required there – we reckon just the one would be ample!

M

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

Getting married quite suddenly in my mid-twenties seemed like the right thing to do at the time. When I first met my husband he was earning plenty of money and in the beginning he had only one care; me. However, as his workload increased, he spent less time with me and I spent more time sat at home on my own. Even worse, the

Since then I've been living with my sister while the divorce is going through, which has been a blessing in one sense, though my chances of meeting new men have been reduced since I spend so much time looking after her kids in return for her help. She's a divorcee too, and I was beginning to worry that we'd both end up living together forever, without getting any. As much as I love my sister,

starting my new job as a dental receptionist was a lifesaver as I immediately had a chance to go out with some new people. One of the women I work with is in her early forties and she invited me over to her house for dinner the second week I was there.

My loins howled at the moon when she introduced me to her 22-year-old son Tom. He was really athletic looking and I couldn't help looking at his toned arms and stomach. He seemed to be just as interested in me and stayed up late with us both for a few drinks.

As I got up to leave, Danielle insisted that Tom walked

me to the taxi rank, as it would be quicker than phoning up and ordering one. Whilst we walked he kept insisting that he couldn't believe how good I looked for my age, and that my husband was mad to divorce me. Flattered, I playfully slapped his arm, telling him not to be so silly. He put his arm around me to steady me slightly, pulling me closer. My heart was beating double time, but I allowed

him to leave his arm there, going a little quiet in anticipation.

I don't know what came over me but my natural instinct told me to put my arm around him, and within seconds he had swung me round and we were kissing each other wildly. His hands were instantly groping my chest, as he ground his pelvis against mine, letting me know how aroused he was with the bulge of his dick pressed into me. Once we had stopped for breath, he said saucily, "Can I come back to yours?"

I smiled but shook my head, as if to say, 'We can't, can we?'

He didn't have to persist for long though, as the next minute we were in a cab together, with him on the phone to his mum.

By the time we got back, my sister and her kids were in bed, and we were sneaking around like naughty school kids. As I tried to fill the kettle, his hands were all over my backside, lifting up my skirt. Then he dragged my pants down over my arse, leaving me just in my stockings and suspenders. Pressing me

"DROPPING TO HIS KNEES, HE BURIED HIS FACE INTO MY MOUND, CRANING HIS NECK TO TEASE MY CLIT."

against the kitchen counter, he ran his finger down the crack of my bum, until he found the entrance to my pussy. Instantly slipping a finger deep inside me, I struggled to catch my breath as his other hand cupped my left breast.

I was soon standing with my legs apart as he fingered my pussy. Then, yanking my top off, he began to kiss and bite gently all over my back. The sensation was incredible, I hadn't felt this excited in years. Dropping to his knees, he then buried his face into my mound from behind, craning his neck to tease my clit with his tongue. Turning around and slipping backwards underneath me, he was now sitting between my legs and I was holding the back of his head as his mouth went to work on my hole. Using his hands to part my lips, he took long loving strokes with his tongue, looking up at me as he did it each time. The attention he was paying my pussy was something I had never experienced, and my mind was racing with thoughts of what I had been

missing out on all this time.

I was soon distracted, however, by him standing

up, cock in hand, and whispering 'Make my dick feel good,' into my ear. I didn't need asking twice to drop to my knees and, taking his shaft firmly in my grasp, I began to work my tongue around and under his foreskin. He took hold of my hair, as my lips sunk over his bell-end, and I allowed him to drive his dick into my mouth. Wanting to do anything he wished, I then let him keep hold of my hair and

amazing sex life we'd had ground to a halt. We used to fuck for hours in all positions, all over the house, but after a couple of years he would only really be up for it when he came in drunk after a night out with his mates. I suspected that he had begun to see people behind my back and the day my suspicions were confirmed by a good friend of his late last year, was the day I left.

push my head back and forth, deep-throating it.

Soon I was sucking his balls, before lifting them up to lick at his arsehole, and all the time tossing his dick off with my free hand. He'd obviously heard that older women were better in bed and I didn't want to prove him otherwise!

I knew he would be ready to come soon and my quim was still aching from the licking he had given it. Grabbing his T-shirt, I dragged him down and lay him flat on his back on the kitchen lino. Mounting him, so my arse was in full view of him, I sank down onto his pole in reverse cowgirl position. Placing my hands on his firm, muscular thighs, I then began to fuck him as slowly as possible, just enjoying the sensation of his length sliding in and out of my wet pussy. Desperate to keep things as dirty as possible, his finger was soon foraging its way into my anus, until he was knuckle deep inside. I hadn't had dirty sex like this for years and instantly realised what I wanted even more.

Rising up off him, I fell forward on to my knees, grazing them slightly on the hard floor. As he positioned himself behind me, desperate to get back inside, I reached back around and pushed my arse-cheeks apart.

"Fucking hell," he murmured. It was obvious that he'd never done anal before.

"Fuck my arse," I teased, as he nervously edged his dick into my bum-hole. "Push your dick inside," I continued breathlessly, as my sphincter relaxed, allowing access. After a few tentative thrusts, he was soon into his rhythm, holding my hips and driving his cock in and out of my hole. My arse was so tight around his prick that I could hear his breath quicken almost immediately. Knowing he wouldn't last long, I frigged my clit hard urging him to "Give me all your come!"

About a second later, he let out a huge grunt and the first jet of his spunk shot into my arse. This brought on my own climax, and as I felt the first wave of pleasure wash over my body, I commanded him to pull out. Dragging it out immediately, I felt more spunk hit the crack of my arse. He then proceeded to slap his dick against my cheeks, drenching them in jizz. The intensity of my own orgasm was insane by this point, and I was fully flat on the floor, face down and spread eagled, as I shuddered with every sensation. My knees burned slightly and my breasts were squashed out against the cold lino, but it just felt so good. Then turning me on my back he began to lick hungrily at every part of my upper body.

"You are so fucking horny," he sputtered, clearly up for more. And for once in a very long while, so was I!

"I BEGAN TO FUCK HIM AS SLOWLY AS POSSIBLE, ENJOYING THE SENSATION OF HIS LENGTH SLIDING IN AND OUT OF MY WET PUSSY."

I know this might sound unusual, but I'm a 28-year-old female and I simply love your magazine! I've been buying it for a few years, after finding my then boyfriend's stash of mags. *Mayfair* was the only one that stood out to me and, when we broke up, I found myself going out and buying my own copy every month! I do get the odd raised eyebrow in the newsagents, but there's something about holding actual pictures of the girls that I don't get from looking at stuff on the internet.

Being quite a studious (for studious, see shy!) person, I never ever thought I'd have an experience like the ones I read about in *Quest* – I always think the girls sound so adventurous and forthright, the exact opposite of myself! However, that all changed last month when I went out for a shopping trip in town, and ended up having an encounter that blew my mind!

As well as looking around most of my favourite shops, trying on anything that took my fancy, I had made an appointment to have a bra fitting in a little lingerie boutique I know. I'm kind of a regular in there: I adore their underwear, the quality of their sexy pieces is exceptional and I like that they aren't well-known yet, so hardly anybody else is wearing their brand. I have gotten to know the staff relatively well – by sight, anyway – but on my last visit I could've sworn one of the

salesgirls was flirting with me! I've never been into girls, but for the next couple of days I couldn't help the sexual scenarios playing through my head. By the time I headed in for my fitting, however, I had pushed all such thoughts from my mind.

When I entered the boutique that day, though, I was secretly hoping that she'd serve me – and someone was obviously listening, as her pretty face was the first that greeted me. After a bit of small talk, she ushered me through to the private area out the back that was reserved for fittings and, catching my eye and smiling in an unmistakably seductive fashion, asked me to remove my top so she could measure me.

As I took my jumper and strappy top off and she busied herself with samples, I studied her. She was about my age, with lovely creamy skin and a short blonde bob, her slim figure accentuated by the blouse and high-waisted skirt she wore. She chatted away in a friendly fashion as she asked me to lift my arms, but as she pulled the tape measure

under my bust, there was an unmistakable sexual tension in the air. I wasn't listening to a word she was saying, all I could think about was her delicate hands on my naked torso. And when her hand brushed my nipple, sending shockwaves through my body, I let out the tiniest involuntary gasp, surprised at my own reaction to this girl's touch.

Throwing the tape around the fullness of my boobs, she was slightly firmer this time, causing my nipples to harden and my breath become stuck in my throat. She took her time before announcing my bra size, then said that she'd sorted out some of their latest stock for me to try on.

I thought she'd leave me to it but she didn't, instead she handed me the first of an array of garments, which was a basque, and helped me slip the beautiful lingerie on. I could feel the heat from her in the enclosed space of the booth as she slid around behind me, her hands

making short work of the hook and eye fasteners down my back.

In the stillness of the booth I could hear her ragged breathing and my pussy twitched and dampened with each second she was close. At that instant, what I'd so desperately hoped for happened, and I felt her touch me - her fingers trailing over my gently over my back and caressing my tingling skin. I closed my eyes, took a long deep breath, and turned around, tentatively brushing a strand of hair away from her sweet face.

She met my eyes, her tongue flicking salaciously over her full, succulent lips and I melted, the tingling in my crotch now a full-on throbbing. I leant forward and brushed my lips against hers softly and she responded, locking her mouth on mine and pushing her tongue into my mouth. We kissed

blew gently over my flesh as she massaged my inner thighs, maddening me with desire.

Licking at my swollen labia tentatively at first, she was soon lapping away and I groaned, despite trying to stay silent. I pushed my shaven groin forward against her probing tongue, causing the tip of her nose to firmly impact with my erect clitoris, the peaking of each wonderful new sensation driving me towards a truly almighty orgasm.

The blood pounded in my ears and I whimpered, my climax shaking me from head to toe in an earth-shattering crescendo of bliss. My clit throbbed as my spasming vaginal muscles spat my secretions over the sales assistant's lovely upturned face.

Suddenly, we heard movement towards the shop front. "Is everything all right in there?" another female staff member called. She had

only to draw the curtain aside and we would be found out. The girl wiped my juices from her face frantically and stood up so fast she lost her balance and grabbed my elbows for support.

"We're fine, thanks Julie! Out in a minute!" She responded, straightening up and dusting herself down, our moment lost.

Naturally, I bought the basque that I tried on - if only because it was somewhat, ahem, soiled by the time we were done! I've been in to the boutique since, but the

girl hasn't been in there since. Part of me wonders if we'll ever have a repeat performance, but even if we don't, at least I now have a great story to write in to my favourite magazine with! I hope you print it!

Having a city job means putting in long hours in the office and any time I get to socialise I regard as precious. So when my friend, who's a secondary school

teacher, invited me out for a night on the tiles with her colleagues, I jumped at the chance. I came straight from work and met her in the pub where I stuck out like a sore thumb as I was clearly the most smartly dressed in there - especially in comparison to her friends from work! Nonetheless, after a couple of drinks I began to relax and her friends made me feel really welcome. One guy in particular, whom I soon discovered was the P.E. teacher, insisted on buying me drinks, quizzing me about my work and lifestyle. At one point my friend, Anita, let me know that he was the biggest flirt in school and that I should watch him. However, I was in too deep by that time myself, teasing him outrageously and letting him know that I was up for some fun.

As the conversation became more intense and we began to ignore the rest of the group, he started telling me how much he loves women who 'power dress' as he insisted on calling it. "I bet the guys at work can't take their eyes off you," he confidently said.

"Oh, all the women dress like this,"

I replied, brushing it off casually. "I'd love to come and visit you at work one day, then!" he whispered in my ear. Continuing in hushed tones he said, "I'd like to come and see you at home even more." My pussy tingled so much.

Not wanting my friend to suspect anything,

**"MY NIPPLES HAD
STIFFENED INSTANTLY,

THEM THROUGH
MY JACKET!"**

I made my excuses and left alone, before waiting in my car like a naughty teenager hiding from their parents. He kept me waiting for twenty minutes, by then my excitement was at boiling point.

Driving back was excruciating, I tried to keep my eyes on the road, whilst his eyes roamed my body and his hands edged my skirt back. Working it back over the top of my thigh, he revealed my suspenders, which sent him into raptures. "Oh my god, that looks so fucking horny," he said, exhaling hard to keep his composure. "Every woman should wear them."

We literally half-jogged down my drive and, fumbling frantically for my key, I desperately struggled to keep my hand still at the door, with his marauding hands all over my body.

My nipples had stiffened instantly and he was rubbing them through the material of my jacket. Staggering inside together,

I could feel his erect dick pushing hard against my arse, as he began to undo the buttons, and soon had one hand inside groping for my breast.

I knew he was unbelievably turned on and decided I was going to make him wait for what he wanted.

"Get on the sofa," I ordered, to which he dutifully responded. Seeing him sitting on my brand new sofa in his tatty old rugby shirt looked strange to say the least, so I asked him to take it off. I'm glad I did, as he revealed

passionately, our hands wandering and squeezing the other's form as lust took over.

Then without warning, she dropped to her knees, still so close that her mouth was literally only a few inches from my silk-encased fanny, and I could feel her warm breath dancing across the skin of my upper thighs. The juices welled up inside my pussy and my breathing got faster and more irregular as she pulled my sticky pants halfway down my tanned legs. Her breath

his muscular torso, and a toned six-pack.

I felt a slight tug in the pit of my stomach, excited at the prospect of getting hold of him myself, then I really went to work.

"Just lay back and enjoy the view," I instructed saucily and turned away from him, hitching my skirt up with both hands. As I felt the curve of my exposed bum with my fingertips, I looked over my shoulder to find he already, unashamedly had his dick in his hand, stroking it and staring intently at me. I carried on peeling my clothes off slowly, until I was crawling over the ornate sofa opposite to him, with just my basque and suspenders on. Removing even more until I was wearing just stockings and high heels,

pleasure as soon as he was fully in. There was no holding him back, as he pumped away inside my sopping snatch, spanking my bum with every thrust. Reaching around he took hold of my breasts and leaned over me until he could grunt filthy talk into my ear. "You're such a dirty, horny slut," he kept saying, which was turning me on like mad, and I, in turn, repeated, "Make me fucking come with your big, stiff dick."

I was receiving such a pounding that I was desperately holding on to the arm of the sofa whilst he rhythmically sunk in and out without missing a beat. My whole body had gone numb with pleasure and I was soon frigging my own clit hard with two fingers. Totally lost in each other, I could feel him kissing and gently biting the base of my neck, as

he continually fucked me without even the slightest pause. It felt so animalistic that my orgasm suddenly overwhelmed me and my eyes glazed with the sensation. My thighs shaking and my cunt wet with my own juice, all I could feel was his thick shaft deep inside me, as I climaxed heavily. My boobs were dripping with sweat, and his hands were squeezing them together, as he continued to fill me up.

Content and warm, I wanted him to feel incredible too,

so I leant forward until the head of his prick slipped out of me. Turning myself over onto my back, I

I then arched my back, raising my arse up, showing off my neatly trimmed mound. Performing for him was turning me on more than I could have ever possibly imagined.

He obviously couldn't take any more and at the sight of this was over to me in a flash, getting down on his knees and taking my round bum cheeks firmly in his strong hands. Instantly his face was between my legs, licking at my slit with long luxurious strokes. I parted my legs slightly and his tongue foraged as deep as it could go into my cunt. My thighs were trembling with pleasure against his face, as he nuzzled in further, French kissing my pussy with his open mouth. He then ran his tongue upwards to my tight anus and flicked at it making my sphincter twitch uncontrollably.

I was loving every minute of it, pushing my pussy against his face as he devoured it, covering me with his saliva. I was incredibly wet and was dying for his dick, which I could feel all the time brushing around my knees.

"Fuck me," I breathlessly begged, and rising to his feet, he positioned himself behind me and then nudged his fat cock against my labia.

"You want to be fucked by a bit of rough, don't you?" he taunted, half-aggressively. Powerless to deny it, I replied with equal provocation, "Yeah – so you'd better fuck me hard. I know you're desperate to shag someone like me aren't you?"

I was never usually this brazen, but it seemed so right to behave like a total and utter whore.

Taking a fistful of my hair, and placing one hand on the base of my spine, he drove his cock deep inside me, letting out a moan of

cupped my tits and ordered him to, "Come all over me." He responded by tossing himself off furiously above my chest. I was feeling dirtier than ever and opened my mouth wide, panting, "I'm ready for your spunk," which he delivered almost instantly. The first jet hit my mouth and I took it on my tongue swallowing it down and licking my lips, followed by the rest of it sprayed over my neck and tits. Pushing my breasts together again and arching my back, I watched with delight as his face contorted with ecstasy. Reaching forward, I dug my manicured nails gently into his toned body, as it shuddered under my touch. All his muscles had tightened and he was glistening with sweat, as he shook his last drop of jizz from the tip of his dick, covering my tits.

"Mmmmm," I purred, and taking his cock in my hand I gently sucked him off till he stopped moaning. "I love your cock," I said, "It filled me right up!"

Collapsing on top of me, spent, I wrapped my legs around him and we lay there kissing passionately, as our bodies, slick from juices and sweat, writhed together. The sofa was a total mess, and was covered in mud from the shoes that he was still wearing, as he hadn't even taken his trousers from around his ankles – we had been so eager to fuck each other! He was certainly more fun than most of the rich city guys who have been back here and I'm pretty sure I managed to fulfil his obvious fantasy for a dirty businesswoman, too. Don't you think?

MAYFAIR Movies

Ever been intrigued by what goes on behind the scenes at a bongo shoot? It's generally lots of sitting about and wet wipes being passed around, but Wicked Pictures have given the idea a naughty twist...

★★★★☆

**Editor's
PICK**

BEHIND THE SCENES Wicked

CAST: Ela Darling, Kleio Valentien, Anikka Albrite, Brooklyn Chase.

Porn for couples starring AVN Female Impersonator Of The Year Anikka Albrite. Sorry, I read it off the box and should have said: "Female Performer Of The Year". I am on the waiting list for new NHS glasses and can only apologise for any ghastly images which may have been conjured up in your psyche because I'm obliged to masturbate so much in this job that I'm now nearly blind.

Anikka Albrite (not to be confused with the toothpaste brand which bears her name – at least not if your interested in either oral hygiene or bongo movies) plays an aspiring actress who lands a role on a television show. Colgate Total or whatever her name is hopes, naturally, that it will be her big break, but the cast are about as welcoming as a Scottish pub lavatory floor and it doesn't help that Sensodyne's boyfriend is the jealous type.

As Oral-B struggles to prove herself, however, she falls for the show's male lead. Cue frantic humping scenes off-screen (but, thankfully, also very much on-screen, otherwise what'd be the bleedin' point of it all?), with some standout coitus scenarios involving Macleans herself, as well as Ela Darling, Brooklyn Chase and Kleio Valentien. Indeed, as Anikka Aquafresh soon realises, it's what happens behind the scenes that's important. (This is for those who prefer their mound profound.)

Worthy of mention before I finish, because some might find it off-putting, is the fact that Kleio Valentien has more tattoos on her than a brickie or a member of a Mexican drugs cartel (or both put together, in fact) – not that I have anything but good things to say about Mexican drugs cartels. I'm not going to put my foot in my mouth where those boyos are concerned. Not after last time. Not that I've actually got anything that actually resembles a 'foot' any more to put in my mouth. Nor, indeed, much of a mouth not to put it in. Still, they're grand lads, every one of them.

Cue frantic humping scenes off-screen (but thankfully also very much on-screen)...

SEXUAL EDUCATION

CAST: Nikki Benz, Scarlett Monroe, Alexis Monroe, Juelz Ventura, Amy Anderssen.

★★★★☆

Which of us, in our nonage, didn't fancy at least one of our teachers something rotten? I know I did.

And I was schooled by Jesuit monks, so I find the answer to my own rhetorical question quite astonishing, and not a little disturbing.

I ask because this is no "educational sex video" of the sort you could quite happily leave lying about when a member of the clergy pops in for tiffin, but "teacher porn" at its most sizzling and sensationally unprofessional... though I'm sure most former pupils (blokes' at least) lady teachers were not possessed of frankly scary fake jubbles like errant educator Amy Anderssen, who responds to big-built 20-something student Jessie Jones's lame jokes about her humungous hooters by frig-marching the miscreant straight to the faculty office, where, after a bit of humming and hawing to make it look like the lad's fate is really in any doubt, strict Dean Nikki Benz says she knows exactly how to discipline young Master Jones. That's right – you got there before me: a punitive faceful of no fewer than four monster knockers before they suffer him to poke his eager knob

into each of them in turn.

But it's not all bristols (although there are plenty on show, to be sure). Every permutation of inappropriate (but legal – at least in a pretend sort of way) student-educator tryst is featured in a production that is sure to please every former schoolboy who put up his hand and said "Please Miss" meaning something other than that he required to visit the toilets.

Highly recommended fodder from Brazzers, especially if, like me, you're still in short trousers.

★★★★☆

Digital Playground

FORBIDDEN FRUIT

CAST: Ava Addams, Bonnie Rotten, Riley Reid, Selena Rose, Summer Brielle.

(it's a cruel life in that America, and no mistake). Needless to say, being the kind of girl you wouldn't squire to tea and muffins at the vicarage, she starts sucking off some poor bloke who answers his door with an obvious stifle and gets him to purchase her wares. That's the ticket, girl – she'll easily hit her targets if she carries on like that. He certainly hits his when he splashes off over her in the end.

In the grand finale Ava Addams demonstrates just what she can do with her legs apart when her employer spots her taking a break from her cleaning duties and dancing to her tunes (and no, it's not a char-char-char. Honestly, domestics these days!) and unfurls a knob that could probably fill a sock, one way or another or both. It certainly fills Ava, who soon finds herself being taught a good and proper lesson about when she can and when she can't jiggle about to music and hope to get away with it. Basically, if it's in a porno flick – no chance!

BRAZZERS MEANEST LESBIANS

CAST: Lisa Ann, Rayvenness, Dana Vespoli, Celeste Star, Dana DeArmond, Eufat and more.

★★★★☆

This is intense stuff, but I would enthusiastically recommend it in a very loud voice to anyone with a hard-on. Even in a bus or train carriage. These girls get rough with each other and almost all of them look fandabbydozy. Except for one poor soul with one funny eye

If you should rent Brazzers Meanest Lesbians expecting to see thrilling footage of some of the world's stingiest women reluctantly picking pennies from their purses at supermarket checkouts and getting into tugs of war over discount coupons only to be disappointed, join the club, mate. Turns out the "mean" in the title is just a synonym for "nasty". There's no frantic haggling over the price of a strap-on, nor brogue-based bartering.

Yes friends, step right up! For all those who foolishly imagine that two girls going at it is somehow tamer and more vanilla than other classes of porn, this well-nigh exhaustive (and exhausting) compilation of lippy, lusty lesbians lapping labia – and, equipped with strap-ons, riding each other with almost insane vigour – will surely disabuse you of such notions while you self-abuse.

and another sporting a couple of cute little boils on her arse.

This said, I know lots of guys who like their onscreen imaginary bits on the side, warts and all. I suppose that's why they're married to witches.

The whole thing goes on for hours, too, which is another advantage of lesbian sex compared to your common-or-garden variety.

Ms. Fortune!

□□□□□□□□

Given that curvy Italian/American lovely Christiana Cinn has already appeared in a couple of rival publications (mentioning no names, but they both begin with 'P'), we figured it was high time she got the ultimate accolade of a spot in *Mayfair*... so here she is!

"Hah – well of course that's perfect for me!" beams the girl herself. "I've only really been modelling for a relatively short period of time, and now I've ticked off the 'Big 3' (*Yes, albeit in the wrong order!* – Ed.).

So now that you've got that under your belt, what's next on the 'to do' list for Christiana Cinn?

"Oh, I don't know – I guess I just want to have fun for a few years – travel around a bit, meet interesting people and have great sex with them – that sort of thing!"

Well we can only hope you fulfil your ambitions. And that perhaps we could help in some small way...?

□□□□□□□□

Gee – it's Ashleigh! Ahem, that's right, it's been nigh on 8 months since we first featured the not inconsiderable charms of Miss Gee, another babe who hails from the one county which the UK glamour business really couldn't do without. We're talking, of course, about Essex!

"Yes, guilty as charged!" she laughs. "I'm an Essex girl through and through, although I don't really think it's fair we've got a reputation for being airheads, just because we like to look our best!"

Of course it isn't bloody fair! Some of the brightest girls we've ever met in this business have hailed from Essex. And besides, who cares anyway? The only degrees you need for this job are degrees of undress – and you pass with honours!

Mmm, it's been a little while since we last hooked up with industry legend **Tori Black**, but the **Ed's** made a new year's resolution not to let the grass grow under his feet when it comes to featuring the hottest babes in the business, and so here she is! Apparently **Tori** once bagged an award from *Loaded* magazine (RIP) for being the most facially attractive girl in adult modelling, but from where we're sitting, the rest of her stacks up pretty well too! Throw in some suspenders, some lacy undies and a bit of a muff and, well, that's a lot of *Mayfair* boxes ticked!

CHLOE

Age: 22 Vital Stats: 32B-27-37 5'3"

Photographer: BBM

When we first features the delectable Chloe Toy a couple of years or so ago she was a gamine little thing and look at her now – she's still one, isn't she?! Not that she's any the worse for that, of course! "Well I should think not! Some of us are designed to be all curvy and some of us have a more svelte shape – it takes all sorts, after all!" she says, and who are we to argue? It's just that everyone else in the office seems to be filling out a bit these days, and Chloe stands as a reminder of what we had and lost. Or, more accurately, never got to have in the first place!
